GENERAL INFORMATION AND PURPOSE

The Community Engagement Branch (CEB) solicited proposals to obtain a Vendor List of Contracted Providers (CONTRACTORS) to provide services to schools, professional development, technical assistance, and specialized support during times when school is not in session - before school, after school, intersessions, and summer.

The purpose of this Vendor List is to support implementation of out-of-school-time (OST) programs statewide and provide opportunities for students to participate in safe, nurturing, and supportive environments when school is not in session. OST programs are designed to supplement the in-school program and include activities such as:

- Academic supports
- Career and college readiness
- Elementary enrichments
- Extracurricular activities
- Family engagement
- Health, social, and emotional supports

Services will be accessible to all Hawaii State Department of Education schools, complexes, complex areas, and state offices.

Schools and offices may utilize this Vendor List to obtain services from a specific CONTRACTOR whose program best fits their needs. The selected CONTRACTOR(s) shall work directly with the authorized representative of the requesting school/office to engage, collaborate, and coordinate specific program services.

CONTRACTOR shall be responsible for invoicing the appropriate school/office accordingly; payment for services will be made by the requesting school/office.

USE OF VENDOR LIST OPTIONAL

Schools and offices are not required to purchase from the Contracted Providers, and waivers (Request for Exception Form 5) from this Vendor List are not required. Schools and offices may determine purchases from this Vendor List are not suited to the school's/office's purpose and may purchase these services from other sources, however, the usual procurement rules and procedures apply to such purchases.

SUMMARY OFFER OF SERVICES AND PRICING

Schools and offices may obtain a CONTRACTORs' Summary Offer of Services and Pricing from this Vendor List saved to the "Mandatory Price List" icon on Lotus Notes and the HIDOE Intranet.

VENDOR LIST PROCEDURES

Requesting schools and offices will place orders with the CONTRACTOR(s) as services are needed during the Vendor List period utilizing the Vendor List Order Form (VLOF).

CONTRACTOR shall acknowledge quote request within two (2) business days, and schedule a meeting or call with requestor within five (5) business days of initial request if further clarification or coordination is required. CONTRACTORs not fulfilling this requirement may be reported to the HIDOE, PCB using the *DOE Form 12, Evaluation Form*.

Following an approved and confirmed VLOF, a corresponding purchase order will be issued. The CONTRACTOR shall honor all orders received during the vendor list period and deliver according to the contract terms and within the required delivery time.
